Recall Notice

Nature Planet recalls the following product:

05782 Facemask Elephant, ean number 5708476087789 Batch no 1686

The recall is because the product does not apply to the standards for toys. A flammability test has been performed and the duration of flaming exceeds the given limits.

If the mask is exposed to fire, the duration of flaming will be longer than allowed, and risk of getting burnt can be higher.

If you have one of the elephant masks, please return it to the shop where you have bought it and the amount will be refunded.

We apologize for the inconvenience.
